

Hello!

I'm excited to serve the community this year as the elementary principal. My wife and I both graduated from Twin Valley South and are involved in the community. I continue to live in West Alexandria with my wife, Abby, and my two girls, Eide (2) and Josie (5 mo.). My children are blessed to have both sets of grandparents and all of their aunts, uncles, and cousins living in the area. I look forward to seeing my own two children grow and develop as part of the TVS family. I am blessed to have the opportunity to work with staff and community members that had a meaningful impact on my life. My hope is to impact and empower others throughout their journey at Twin Valley in order to serve the community.

My family and I enjoy our time traveling to various national and state parks, especially if they are near historical landmarks. I enjoyed teaching about the American Revolution and the Civil War. Analyzing primary sources from the Founding Fathers and Abraham Lincoln is of particular interest.

Locally, I spend my time taking Eide on four wheeler rides in the woods, riding my motorcycles, and spending time in my tree stand. I am also a proud season ticket holder for the Bengals, Who Dey!

I envision increasing parent and community participation within the school. I expect parents and staff to communicate with each other to help children reach their full potential. I encourage parents to talk with staff about any concerns. Opportunities for parents to get involved will be communicated via Parent Square. Please check the visitor procedures on the elementary website prior to visiting.
