

Twin Valley South Elementary appreciates and encourages your interest in your child's education. However, certain guidelines must be observed to maintain the safety of our students and the professional atmosphere of the school. All visitors are asked to park on the west side of the school in the visitor's parking lot and enter through the elementary office doors (door #26). All other doors to the school facility will be locked during the school day.

- All visitors are required to contact the elementary office at least 24 hours in advance of the intended visit.
- All visitors must be listed in Final Forms unless the parent has notified the office.
- All visitors are required to report to the elementary office to sign in and get a pass.
- Student visitors from other school districts are not permitted.
